RESERVATIONS AND PAYMENTS

Tour prices are based on double occupancy. Tour prices are based on rates and tariffs in effect at the time of printing and YMT reserves the right to adjust prices in the event of a change therein.

Early reservations and non-refundable deposits are essential to securing space. Deposit schedules are for program costs only and follow these terms:

- A non-refundable combined deposit (first deposit and second deposit) of \$750 per person is due at the time of reservation
- Payment of the balance (final payment) is due at YMT Vacations 7 months prior to departure

If you make your reservation after the final balance is due, full payment will be collected at the time of booking and your payment is subject to the non-refundable deposit requirements. Programs with special events may require additional deposits.

Failure to submit final payment by the above noted deadlines may result in automatic cancellation of space and forfeiture of

non-refundable deposits. If payment is not received in time, YMT Vacations will not be responsible for lost reservations and/or additional cost to reinstate bookings with airlines, cruise companies and other suppliers. Payments can be made by credit card (Visa, MasterCard & Discover), check, money order or cashier's check. All payments must be made in USD (\$). Payment is not considered made until it is received by YMT.

TOUR PACE AND DISABILITIES

YMT Vacations' programs vary in pace, but in general, they require guests to be in good physical and mental health. YMT will make reasonable efforts to accommodate the special needs of its travelers; however, such travelers should be aware that the Americans with Disabilities Act is inapplicable outside of the United States. Facilities outside the United States for disabled individuals are limited.

Accordingly, when you reserve your package, please inform YMT of any physical disabilities or limitations so that we can help you determine the appropriateness of the itinerary you select. Notwithstanding the foregoing, YMT reserves the right to decline to accept or retain on any trip any person as a passenger should such person's health or mental condition or physical infirmity or general deportment impede the operation of the trip or affect the rights, welfare, health, safety or enjoyment of other passengers. Refund of unused land services is the limit of YMT's liability in such an event. It is the guest's responsibility to judge the appropriateness of these travel activities to their physical capabilities. At times, vendors with whom YMT contracts may require a doctor's release to travel for travelers of a certain age or with special disabilities.

YMT Vacations regrets that it cannot provide individual assistance for walking, eating, or other personal needs. Anyone needing assistance in this manner must be accompanied by a companion.

AIRLINE TICKETS

Air will be available in 2021 and YMT will inform all booked guests once air can be purchased. Where guests elect to book airfare with YMT, airline tickets are issued after guests are paid in full. All airline requests must be in our office at a minimum 90 days prior to the tour departure date. Requests can never be guaranteed and additional fees may apply. The best routing is booked based upon the availability of the airlines at the time of issuing air tickets. Non-stops and direct flights are not always available and may require additional charges. Flights are booked at YMT's discretion to best align with meet & greet and transfer times. After tickets have been issued, there are airline imposed penalties to make any changes or upgrades. Guests are responsible for any imposed penalties when requesting itinerary changes.

CRUISE CABIN ASSIGNMENTS

Individual cabin assignments are made by the cruise line closer in to or up to the actual sail date based on names reported. The deck location (high/low) and position of the cabin within the deck (bow, stern, port, starboard) depend on category and type of stateroom booked. Cruise lines may upgrade passengers at no additional charge at their discretion. When multiple cabins are booked, YMT endeavors to keep the linked rooms in proximity of each other. Final cabin assignments are done by each cruise line's reservation unit and are subject to change YMT is therefore unable to guarantee adjoining or adjacent location, especially when the cabins are in different categories.
